

PepPod is a Colorado based company that is committed to providing people at home, work, and play the energy they need to do what they love.

*...just add water.*

*PepPod boosts energy, keeps the body hydrated, increases cell function, and jump-starts metabolism to elevate the athlete in all of us.*

### ***What is PepPod?***

- Single-serve, effervescent tablet sold in a convenient, portable packet.
- Our ideal combination of vitamins, over 75 plant-derived trace minerals, electrolytes, amino acids, antioxidants, ginseng, and caffeine\* provides an energy boost you can feel great about.  
\* less than a small cup of coffee.
- Refreshing, citrus-vanilla flavor.
- Perfectly sized tablet drops easily into any water bottle or glass and dissolves completely.
- GMO-free, low-calorie, vegetarian, sugar-free, dairy-free, gluten-free, and diabetic-friendly.

### ***Why choose PepPod?***

- Created by a backpacker who needed energy + nutrients on long days at high altitudes.
- Our healthy ingredients were chosen to refresh and sustain your body's natural energy levels whenever you need it.
- PepPod accelerates hydration and delivers nutrients that absorb quickly in the body.
- Unbeatable consumer price point.
- 30 Pod box doubles as point-of purchase display that fits perfectly on any counter or shelf.

### ***When should I use PepPod?***

- Before any strenuous activity to empower your body.
- Prior to any task requiring mental focus, clarity and concentration.
- Every day to support your immune system.
- Mid-afternoon when you need an extra boost to power through the day.
- While traveling to overcome jetlag and fatigue.

**Refresh Your Energy at [PepPod.com](http://PepPod.com)**

*"PepPod is a convenient way to boost my energy and the amount of vitamins and minerals I take, especially when traveling. The lightweight, individually wrapped tablets make it easy to use on trail and high up in the mountains."*

*-Laurie Normandeau  
Outward Bound Instructor, Yoga Instructor, Crossfit Coach,  
Colorado Mtn. Club Specialist, Good Karma Trek Leader*

*PepPod has been an awesome addition to my quiver. I drink it early in the morning before a long day touring in the backcountry. It keeps my legs moving and my mind focused for hours.*

*-Brant Moles  
Professional Big Mountain Skier, Guide, Judge*

*PepPod tastes great, is easy to drink, and helps me recover after runs. I use it regularly and recommend it to all of my clients.*

*-Meghan Reynolds  
Hot Bird Running Coach, USAF and RRCA certified*
